**STATEMENT UNDER RULE 1.178  
Of Lost Patent**

Attached to my Statement are the Declarations of Sharron W. Walker and Shirley Dunne. Both Ms. Walker and Ms. Dunne state they have made a thorough search of their separate office files and are unable to locate the original Letters Patent, No. 6,015,397 in any relevant file where it might possibly be located. Additionally, I have inquired of Mr. Lawrence Koh, the owner of and Applicant in this reissue application, as to the possible location of the original patent. Mr. Koh has also been unable to locate the patent.

I had moved my office from California to Oregon several months after the original patent was issued, and hence there is a possibility that the original patent was lost during that process. At the present time it does appear to be lost.

All statements made herein are of my personal own knowledge are true and all statements made on information and belief are believed to be true; and further, all of the statements herein were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the U.S. Code and that such willful false statements may jeopardize the validity of the application or document or any registration/issuance resulting therefrom.
